

## Quick Answers on Davis Boy Scouts

We have four Boy Scout Troops in Davis serving the community at large. Boys join a Patrol of about six boys of the same age. A Troop is about 15 to 40 boys.

The Troops meet weekly. This schedule may be altered based on the unit preferences. A Troop Committee of parents helps plan the program. You will get the most of the program for your son if you attend its monthly Troop and Committee meetings.

To get started, call the contacts below. Visit a Troop meeting to learn their program. You may transfer to another unit later, if you prefer.

Boy Scouts is not a drive-by program. Parent involvement is essential. You are urged to help at the Troop level, attend Troop committee meetings, go to some District training and pitch in to make the best experience for your son.

You may change membership to a different Troop if you later chose to do so. This may be due to meeting times, location, youth friendships, etc. No problem.

The full Scouting program costs the Golden Empire Council about \$170 per youth. Some of this is made up from direct fees. Most of it comes from an annual Popcorn sale by Troops and by family donations through the Friends of Scouting campaign. Please be prepared to do your share.

The Yolo BSA District is volunteer staffed. It provides adult training, a fall Web-O-Ree, the early summer Camp Cayuse Day Camp at Nelsons Grove and our monthly Roundtable for Boy and Boy Scout program enrichment.

Please send your name, unit and email address to [Bill@BillRagsdale.cc](mailto:Bill@BillRagsdale.cc) to receive our monthly newsletter the Pleasant Pheasant. It will give you information on all activities locally and regionally.
