Quick Answers on Davis Cub Scouts

We have five Packs in Davis serving the community at large.

Boys join a Den of about eight boys of the same age. A Pack is about 15 to 40 boys.

The Dens meet weekly and the Pack meets once a month. This schedule may be altered based on the unit preferences. A Troop Committee of parents helps plan the program. You will get the most of the program for your son if you attend its monthly Pack and Committee meetings.

To get started, call the contacts below. Visit a Den meeting and a Pack meeting to learn their program. You may transfer to another unit later, if you prefer.

Cub Scouts is not a drive-by program. Parent involvement is essential, especially the first Tiger cub year. You are urged to help at the Den level, attend Pack committee meetings, go to some District training and pitch in to make the best experience for your son.

You may change membership to a different pack if you later chose to do so. This may be due to meeting times, location, youth friendships, etc. No problem.

Annual registration is \$20 to \$30 per year. Added support is needed through family contributions and our annual Popcorn sales program. Please be prepared to do your share.

The Yolo BSA District is volunteer staffed. It provides adult training, a fall Web-O-Ree, the early summer Camp Cayuse Day Camp at Nelsons Grove and our monthly Roundtable for Cub and Boy Scout program enrichment.

Please send your name, unit and email address to Bill@BillRagsdale.cc to receive our monthly newsletter the Pleasant Pheasant. It will give you information on all activities locally and regionally.
